

Due to the COVID-19 pandemic it is recommended that these standard operation procedures are followed. The virus is thought to spread from person to person; between people who are in close contact with one another, respiratory droplets produced through coughing, sneezing or talking, and can be spread by people who are not showing symptoms. As a community, we want to prevent the spread of COVID-19.

- City Hall will reopen May 18, 2020
- Practice sensible social distancing by maintaining six feet between customers. There will be a six-foot distance mark on the lobby floor, customers are encouraged to pay ahead of time. The City of Three Rivers has an online payment option for your convenience. Go to www.gothreerivers.com or we have a drop box near the front door of the City Hall.
- Self-screen before entering City Hall for any of the following signs or symptoms of possible COVID-19:
 - Cough
 - Chills
 - Muscle pain
 - Sore throat
 - Headache
 - Shortness of breath or difficulty breathing
 - Repeated shaking with chills
 - Loss of taste or smell
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Known close contact with a person who is lab confirm to have COVID-19
- Consider wearing cloth face coverings (over the nose and mouth) except when it interferes with the service being provided. Wearing a mask is important because of the proximity between individuals in these settings.
- Individuals aged 65 or older are at a higher risk of COVID-19. To the extent possible, avoid being within 6 feet with individuals aged 65 and older. Individuals aged 65 and older should stay at home as much as possible
